

## FOUR NIGHT, THREE DAY ITINERARY

---

Escape the city and reconnect with your loved ones with a beachside family holiday in Victor Harbor and Encounter Bay, only an hour away from Adelaide. Breathe in the fresh sea air and dig your toes into the pure white sand in one of the many pristine beaches along our famous Fleurieu coastline.

Enjoy the family friendly hospitality and the seaside charm of the Victor Harbor township and the many family friendly activities that this region has to offer. Victor Harbor is the perfect destination to make long lasting memories on a beachside family holiday.

Take a short stroll or horse tram ride over the wooden causeway that connects the mainland at Victor Harbor to Granite Island Recreation Park.

The island is characterised by huge granite boulders tinged with orange lichen, with the sound of waves crashing against rocky shores a stirring soundtrack to your visit.

Enjoy the coastal scenery and discover the island's interesting history along the Kaiki Walk or go fishing from the jetty, or causeway (no fishing from breakwater). You may even spot a Southern Right Whale between June and October.

## DAY ONE

### Stop One

Start your day with a full breakfast and great coffee at Nino's or Flight on Warland in the main township of Victor Harbor ready for a full day ahead. Board the historical Horse Drawn Tram pulled by our beautiful Clydesdales across to the island or take a short stroll across the causeway and breathe in the views of the seascape and the fresh sea air.

Take a walk around Granite Island, characterised by its large granite boulders tinged with orange lichen and crashing waves.

### Stop Two

After your nature walk around Granite Island, head back across the causeway and refuel with the variety of food stalls positioned around the causeway and Warland Reserve. The Bluff is situated in Encounter Bay and sits 97 metres above Sea Level. It offers spectacular 360 degree views of Granite Island, Kings Head and all the way from the East to the South-West of the shoreline.
